# Science Undergraduate Laboratory Internships (SULI) Informational Webinar

***October 18, 2022 – 12pm PST / 1 pm MST / 2pm CST / 3pm EST***

The SULI program provides research experience opportunities at National Laboratories for undergraduate students and recent graduates in STEM fields.

Join us to hear from previous program participants and SULI mentor as we discuss the application process and professional impacts of participating in this program.

*Event open to students, grad students, and supervisors.*

***Register by Oct. 17***

*This event is organized by the Great Lakes Bioenergy Research Center (GLBRC),  
in collaboration with the National Renewable Energy Laboratory (NREL).*
