Climate Games Day

Uncover sustainable solutions while enjoying friendly competition! Play environment-focused games like "Catan New Energies," "Daybreak," "Energetic," and "Power Grid," and test out green policies with the cutting-edge En-ROADS simulation. All attendees will be entered into a drawing to win a copy of "Catan New Energies"

5 PM April 11th,

📍 Wisconsin Energy Institute
(1552 University Ave)
